M CATARRH.

Mr. F. H. Norris, of No 1713 W. Cary Street, says:

I have been a constant sufferer for more than two years with catarrh of head and stomach, had dripping of mucus from head into throat, suffered with heavy, dull headaches. Every morning got up tired; felt as if had slept very little, had constant desire to clear my throat and expectorated great deal of mucus. This constant dripping affected my stomach and caused me to have a bad case of indigestion, bloating after meals, palpitation of the heart, and my system was gradually being run down. After the use of one bottle of PAYNE'S NEW DIS-COVERY these bad symptoms have disappeared, and feel so much better in every way, I think it my duty to let others know how I was cured.

Back to Natural Health and Weight in Three Weeks

I have been a sufferer for four years from stomach trouble and constipation; was losing flesh, my system was all run down and I had no appetite. I would wake up in the morning feeling tired and had no energy.

When I started to use Payne's New Discovery, three weeks ago, I only weighed 110

pounds! Now I weigh 150 pounds, and I feel so much better in every way.

age, a Confederate soldier, living in the vicinity of Richmond, has this to say of Payne's Wonderful Quick Relief Oil and New Discovery preparation:

I am eighty years of age, and for years have been a constant sufferer from rheumatism, and my back had become so stiff I could stoop only with great suffering. My son purchased three bottles of your Quick Relief Oil and rubbed me with it. To my surprise, after first application, was able to use myself without suffering any pain. I sent and purchased three bottles of your New Discovery; have used it, and can honestly say would not take \$500 for the good the medicines have done me, and can recommend them to anyone who suffers with rheumatism or stiff joints.
